ALUMNI NEWS

Minutes of the 8th Annual Meeting I.S.U. Veterinary Medical Alumni Association

January 17, 1961

Article II of the By-Laws of the Iowa State University Veterinary Medical Alumni Association provides for at least one regular business meeting each year to be held during the annual convention of the Iowa Veterinary Medical Association and at a time and place determined by the Executive Committee. Experience has shown that the best available time for such a meeting is a noonday luncheon-business meeting scheduled for the first day of the Iowa Association convention. While it is recognized that noon of the first day is not the best time for our alumni meeting from the standpoint of attendance, it seems to be the most feasible for all concerned. The luncheon-business meeting for 1961 was scheduled for 12 o'clock noon on January 17 at the Hotel Fort Des Moines with approximately 135 in attendance. A few who arrived too late for the luncheon attended the program which immediately followed. The major item of the luncheon program was an address by Mr. Harry Burrell, Sports Publicity Director of Iowa State University.

Agenda

8th Annual Meeting
Hotel Fort Des Moines
January 17, 1961

1. Call to order by President — Dr. J. A. Henderson

2. Minutes of 7th Annual Meeting, January 19, 1960 — Secretary, Dr. H. D. Bergman
3. Introduction of Harry G. Burrell, Sports Publicity Director, Iowa State University, by Dr. M. A. Emmerson, member of the Athletic Council
4. Report of Executive Committee — President, Dr. J. A. Henderson
5. Report of Auditing Committee — Dr. D. L. Baker
6. Report of Nominating Committee — Dr. Frank Ramsey
7. Unfinished business— (None)
8. Adjournment

The business session was called to order by President J. A. Henderson, '34, with the explanation that to meet the adjournment deadline of 1:30 p.m. and not interfere with the scheduled program of the State Association, it would be necessary to expedite the handling of business matters and committee reports with brevity and arrange for later publication.

Minutes of the 7th (1960) annual meeting were made available to all members of the Alumni Association through publication in Volume XXII, No. 3, 1960, of "The Iowa State University Veterinarian" and, with no corrections or additions suggested, were approved as published.

Report of Executive Committee: The Executive Committee wishes to report that in addition to its routine responsibilities in the management of Association business that all special instructions and authorizations given at the 1960 business session have been carried out. No formal proposals for new projects or extension of current activities are recommended at this time. It is the recommendation of the Committee that so far as possible the expanded program approved last year (1960) be continued for the year 1961.

The present program has received considerable and favorable comment from various sources. It should be kept in mind that our alumni association is largely a philanthropic organization which provides several monetary scholastic awards annually for students of veterinary medicine, as well as lending financial support to academic facilities such as the new reading room for veterinary students where a wide range of medical literature is always available. The Treasurer's Report and that of the Auditing Committee as

Auditing Report

This is to certify that we the undersigned as Auditing Committee have examined the financial records of the Iowa State University Veterinary Medical Alumni Association for 1960. In our opinion the records are complete and correct as stated in the foregoing report. The detailed report will be published in a subsequent issue of "The Iowa State University Veterinarian." We hereby approve and recommend the adoption of the report.

Signed: Respectfully submitted
AUDITING COMMITTEE
D. L. Baker, Chairman
M. J. Van Der Maaten

The report was adopted by motion.

Report of Nominating Committee

Dr. H. D. Bergman, Secretary-Treasurer
Iowa State University Veterinary Medical Alumni Assn.
Ames, Iowa

published in this issue of "The Iowa State University Veterinarian" point out all allocations of current funds.

The College of Veterinary Medicine at Iowa State University now has a total alumni list of 2,183. Of these, 332 are deceased leaving a total of 1,851 alumni eligible for membership in their alumni organization. The annual membership of \$2.50 includes a subscription to the veterinary student publication, "The Iowa State University Veterinarian."

The Constitution of the Iowa State University Veterinary Medical Alumni Association states that each year there shall be elected a president-elect, a secretary-treasurer, and one member of the Executive Committee for a two-year term. The secretary-treasurer shall be chosen from alumni living in Ames.

The Nominating Committee consisting of F. K. Ramsey, R. L. Lundvall, and W. D. Yoder submit the following candidates for consideration as officers of the Iowa State University Veterinary Medical Alumni Association, as stipulated by the Constitution.

Dr. C. C. Templeman — I.S.U. '52, President Elect.

Dr. T. F. Bartley — I.S.U. '33, Member of the Executive Committee to serve for a two-year term.

Dr. H. D. Bergman — I.S.U. '10, Secretary-Treasurer.

Respectfully submitted,
Signed: F. K. Ramsely, Chairman
R. L. Lundvall
W. D. Yoder

There being no further nominations, the report was adopted by motion and the nominees declared elected.

The Executive Committee, because of limited time, requested that any further discussion concerning its report be deferred until after publication in "The Iowa State University Veterinarian," which all veterinary alumni association members receive. The request was granted by unanimous consent.

The meeting was adjourned by motion at 1:30 p.m.

Signed: H. D. Bergman
Secretary-Treasurer

Annual Conference For Veterinarians

The Annual Conference for Veterinarians at Iowa State University will be held on June 20 and 21, 1961 in the Memorial Union.

Included highlights in the program are: tour of the National Animal Disease Laboratory conducted by Dr. Hagen, Diseases of Feeder Cattle — Dr. W. W. Brown of Colorado State University. Practical Approaches to Infertility Problems in Cattle — Dr. S. J. Roberts of Cornell University. Tuberculin Testing of Livestock — Dr. A. F. Ranny of the Animal Disease Laboratory. Other subjects will be presented in the fields of PPLO Arthritis in Swine, Lamenesses in Horses, Emergency Treatment and Splints of Small Animals, Radiographic Interpretation, Sheep Diseases and Farm Flock Management, and a panel discussion of SPF pigs.

Registration is at 8:00 June 20, and a banquet and social hour will be held at 6:30 June 21.

A program designed to accomplish the nationwide eradication of hog cholera has received approval and all-out support from the veterinary medical profession.

Eleven countries prohibit or restrict the importation of U.S. pork because of hog cholera. The annual potential of these foreign markets is \$60-70 million, according to the USDA.

Efforts aimed at nationwide eradication of hog cholera are spearheaded by the National Hog Cholera Committee of Livestock, Inc. Members of the committee include representatives of the major farm organizations, The American Meat Institute, and the American Veterinary Medical Association.
